Write a Poem to Remember a Loved One

You do not have to consider yourself a poet to write a poem. Sometimes the most simplistic poem can convey the deepest meaning.

Useful Tips

Keep these tips in mind when writing your poem:

- 1. What the person meant to you**
The feelings your loved one evoked
- 2. Your relationship to the person**
Special memories of times you shared together
- 3. Their personality traits** How you wish to remember the individual

And remember to always speak from your heart. This is a special poem that speaks uniquely of your relationship with them.

Famous Poems for Inspiration

1. I Carry Your Heart With Me (E.E. Cummings)
2. Warm Summer Sun (Mark Twain)
3. Nothing Gold Can Stay (Robert Frost)
4. They That Love Beyond the World (William Penn)
5. God Saw You Getting Tired (Frances and Kathleen Coelho)
